Hi Sarah -

I received the following request through the permit portal.

Hello, I received the following question from the ARB in regards to your application: Who did the original design on the walk and porch? If you would like to respond, please send your response to spalermo@irvingtonny.gov Before 4:00 on May 17th. Thanks. -Sarah Palermo Irvington Building Department

I am not sure how to answer this.

If this refers to the previously approved application (2016) - I did the design, but it was not built.

If this refers to what is currently installed - there really was no "design." The contractor and owner agreed on the materials and construction.

I hope this helps.
