Hello, Sarah
New deer fence will be attached to the end of existing remnants of deer fence already in place.
I hope this answers the question.
Please let me know if you find this satisfactory.
Thank you

Hello,

I received the following comment from the ARB in regard to your application: How is the deer fence being integrated with the other fencing?

If you would like to make a submission in response to the comment, please submit three copies to the building department before 4:00pm on 3/20/2023. Thanks!
